Develop Key Cloud Technology Skills

Dear Sir/Madam,

Tech Equity is Google Cloud partner and reseller. We train Google employees, clients and partners around the world.

We assist faculty members at eligible institutions to access \$5,000 in Google Cloud platform credits for academic research. \$100 worth of Google Cloud credits is also available to each faculty member for personal use, and \$50 to each student. We can assist faculty members in obtaining 5,000 online training lab credits, 200 for students and IT enablers, as well as free access to 13 online training courses.

We enable and empower students to jump-start their careers in cloud technology by inviting certified professionals to our cloud associate program where we coach, mentor and help them to develop critical workplace skills in cloud technology and business disciplines.

Our Reseller Portal enables educational institutions to facilitate student access to Google Cloud services and industry based training resources.
